Dear Parents,

We have scheduled special **KINDERGARTEN** field trips that will enrich the educational experience for your child. Please know that we have taken steps to create pre and post learning activities surrounding the trip. Each trip will be academic, social, and other developmental goals and standards for this academic year.

Students will be chaperoned by their teachers and a select group of parent volunteers. All students will travel by school bus to and from the field trip location. Sack lunches will be provided for each trip occurring during lunch time.

To give permission for your child to attend these trips please sign below and complete the additional information. You may speak with your child's teacher about volunteering to chaperone any field trips for your child's class. The following field trips are included with student tuition.

Thank you in advance for supporting KPA learning extensions.
